"CPO Focus on LIFE Science" Book Scavenger Hunt

1. What is the title of your book? Who authored it? Who published it?
2. In the beginning, you will see **four** pages with blue background with special titles such as, "Unit Pages and Chapter Pages". Name two things you see that may be helpful to you while reading this book.
3. Turn to the Table of Contents. How many **units** and **chapters** are there? Which **chapter** is most appealing to you?
4. What is the title of Ch. 5? List one of the key questions you would like to find the answer to.
5. What page does **section 1** in Chapter 18 start on? What is its title? Where is the **chapter** activity and assessment?
6. In your own words, what is a glossary? What page does the glossary start on?
7. Write the definition of the first word that begins with the letter "T" in the glossary.
8. Name and define the last word of the glossary.

9. What is an index? What page does the index start on?

10. How many pages have information about plants? List the pages.

11. How many pages have information about muscles? List the pages.

12. How do you know which words are key terms, or important vocabulary in a chapter? Is there a specific place in the chapter where it lists the vocabulary?

13. State something you find interesting from a “Connection” page at the end of a chapter. Be sure to include the chapter you choose.

14. Describe one “Activity” at the end of the chapter you are interested in conducting.

15. What does the root “bio” mean? List AND define one word that contains this root “bio”.

16. What is the domain address for Mr. Pearson's website? Write it on the line below.

Did you know that your textbook is downloadable from Mr. Pearson's website?
You can access it from ANY computer, tablet, and even some smart phones!
